

~ 4th Grade Supply List ~  
Mrs. Kyte 2022-2023

Welcome to the 4th grade! I am so excited to meet everyone and have a fun-filled year!

Since COVID is still active in our lives, our goal is to keep from sharing supplies as much as possible. Please organize the supplies as detailed below so that we can jump right into our activities. For any items listed as “for class use,” it would be wonderful if these could be in a separate bag from the rest of the student supplies for ease of access. Thank you!
